[8957495196 / rishabhsahy @gmail.com /](https://www.linkedin.com/in/rishabhsahy)
(.Net Developer, Lucknow, India)

Education

Bansal Institute of Engineering and Technology (A.K.T.U)

Bachelor of Technology in Information Technology

Lucknow, U.P

Aug. 2019 – July 2023

Technical Skills

Languages:	C#, Core JAVA, C (Basic), HTML5, CSS3, JavaScript.
Framework & Technologies:	ASP .Net MVC, DotNet Core, Bootstrap, JQUERY, AJAX,ADO, Entity
Tools:	MVC, Visual Studio, SQL Server
Database:	MS SQL Server

Work Experience

Etelligo

Software Developer Intern

Badarpur, Delhi (Remote)

Sep 2024 – Nov 2024

- Gained hands-on experience in designing and developing applications using .NET Core, focusing on scalable and maintainable solutions.
- Contributed to the development of a logistics management project, optimizing processes to enhance operational efficiency and user experience.
- Worked closely with senior developers and team members, leveraging mentorship and collaboration to deliver high-quality, reusable, and maintainable codebases.
- Developed and implemented RESTful APIs for seamless communication between systems, ensuring robust and efficient backend functionality.
- Improved code efficiency by identifying bottlenecks and implementing performance enhancements, ensuring faster execution and reduced resource usage.
- Performed Create, Read, Update, and Delete (CRUD) operations on databases, ensuring accurate and efficient data management.

Technology Used: DotNet, DotNet Core Rest API, MS SQL Server, Entity Framework Core

Sagar Informatic Pvt. Ltd.

.Net Developer Trainee

New Delhi, Delhi

March 2024 – April 2024

- Engineered and optimized .Net-based applications, Achieving 20% improvement in response time.
- Architected responsive UIs with Bootstrap ensuring seamless navigation.
- Leveraged .Net resources like EPPlus, ClosedXML, DataTable, Model for efficient backend operation and manipulation.
- Utilized .Net's Eloquent relationship feature, optimizing data retrieval and storage in relational Database.
- Conducted Export feature using XLWorkbook, MemoryStream and implemented MVC architecture to for basic CRUD operation including end points for GET, POST and DELETE methods.

Technology Used: Html, CSS, JavaScript, Bootstrap, jQuery, AJAX, C#, .Net Framework, MS SQL Server, ADO

Achievements

- Authored and published a paper titled **“Webcam Security System via Email”** in the International Conference on Data Analytics and Intelligent Computing (ICDAIC) - 14th-15th July 2023.
- Received gold medal for winning Cricket Championship at College level.

Certifications

- [*C Basic – CodeGrip*](#)
- [*Core Java - CodeGrip*](#)
